

RULES ON TAKING PHOTOGRAPHS

1. **OBJECTIVES OF THE RULES:** to specify the rules of taking photographic images and video-, drone- and audio recordings (hereinafter jointly: recording) at the City Park Ice Rink (hereinafter: **Ice Rink**) and at the accompanying City Park lake section, the so-called middle lake bed (hereinafter: **Boating Lake**), operated by the **Sport Service Center of Budapest Nonprofit Ltd** (hereinafter: **Operator**) and owned exclusively by the Budapest Metropolitan Council.
2. **EFFECT OF THE RULES:** by entering the premises of the Ice Rink and by using the Boating Lake, visitors to the Ice Rink and the Boating Lake, as well as its tenants and persons engaging its services, agree to the rules of conduct for the Ice Rink, these present Rules, and its safety and privacy regulations.
3. The area of the Ice Rink and the Boating Lake is **not a public space**. The Ice Rink is a high-risk operation supervised by the disaster management authority with a security camera system installed.
4. Use mobile phones and cameras at your own risk within the area of the sports facility. The Operator assumes no responsibility for devices and equipment carried into the area of the Ice Rink and the Boating Lake.
5. The recordings must not violate the personality rights of the Budapest Metropolitan Council, the Operator, their contract partners and employees, or those of the visitors of the sports facility and persons engaging its services.
6. Recordings must not obstruct or disturb the operation of the sports facility; in particular, it is forbidden to enter work areas and to use the routes of work machinery.
7. Recordings of persons attending the area of the Ice Rink and the Boating Lake and the publication of such recordings shall be subject to the consent of such persons. For minors, recordings and their publication must be approved by the legal guardian.
8. It is forbidden and unsafe to expose the eyes of skaters and competitors of sporting events to the use a flash light.
9. **Engagement photography, maternity photography, creative and wedding photography, recordings for advertisements and catalogues, recording images or videos for commercial purposes, and recording images or videos for any media (newspaper, magazine, television, YouTube channel, etc.), and the publication of such recordings, is subject to an agreement concluded in advance with the Operator and to paying the usage fees stipulated by the Operator.**

Please submit your application by filling out the [attached form](#) to Nelli Pongó, marketing Manager, at n.pongo@mujegpalya.hu prior to the photo shoot or filming. The Operator shall send the application to the Press Division of the Budapest Metropolitan Council. The photo shoot or filming may commence only when an agreement has been concluded with the Operator and the usage fee for the recording has been paid.

10. The Ice Rink and the Boating Lake are private property and a drone-free zone. It is forbidden to disturb the skaters and participants of sporting events with a drone or other unmanned airborne vehicle or to cause an incident-prone situation. Taking and publishing aerial recordings shall be subject to a prior written agreement concluded with the Operator.
11. By entering the area of the sports facility, visitors of the Ice Rink and the Boating Lake acknowledge that the Operator may make video and audio recordings and publish such recordings at their website, social media pages, and in promotional materials of the City Park Ice Rink, in which visitors may be pictured. The Operator shall obscure the faces of persons expressly requesting such an action in writing.
